

# CHINA SCHOLARSHIP COUNCIL-YALE WORLD SCHOLARS

In the Combined Program in the  
Biological & Biomedical Sciences  
(BBS) 2014-2015

*The program is designed to provide each student with the best possible education in the biological and biomedical sciences in a fast-paced, exciting, and interdisciplinary environment. Training and research opportunities are provided to each student in the program in the goal of Yale University's BBS Program.*

BBS Program, a combined program in the Biological and Biomedical Sciences, is a joint effort of the Biological and Biomedical Sciences Department at Yale University and the Chinese Scholarship Council (CSC) in Beijing, China. The program is designed to provide each student with the best possible education in the biological and biomedical sciences in a fast-paced, exciting, and interdisciplinary environment. Training and research opportunities are provided to each student in the program in the goal of Yale University's BBS Program.
